Get Medisoft with ICD-10 Readiness Presale of Version 19

30% OFF - MEDISOFT
Through September 20, 2013

Are you ready for the new ICD-10 codes?
This will take effect on October 1, 2014!

ICD-10 Readiness and More

- Enter ICD-10 codes on your diagnosis list
- Set the code version by insurance carrier so you can continue to use ICD-9 codes for carriers who will not have transitioned by October 1, 2014
- Receive a notification if the wrong code is used for a carrier
- Use a mapping tool based on CMS's General Equivalent Mappings (GEM) to translate some ICD-9 codes to ICD-10

In addition to ICD-10 readiness,

When you purchase today, you will get all the billing, scheduling and patient accounting enhancements currently available in Version 18, *including Medisoft Mobile*.

With this no-fee application for the iPad and iPhone, you can use your phone or iPad to view your schedule and to transmit charges, diagnosis codes and notes to your front desk or biller.

**Still looking for an Electronic Health Record?
Introducing an EMR designed just for you...**

**With a 2-year contract, Medisoft upgrades are included and cover you through ICD-10
McKesson Practice Choice™ for Medisoft®**

Inspired by independent physician practices just like yours, McKesson Practice Choice™ for Medisoft® is a Meaningful Use-certified, Web-based, electronic medical record (EMR) designed to work with your Medisoft practice management software.

With clinical notes that automatically populate fields throughout the chart, intuitive e-prescribing, and an online patient portal, McKesson Practice Choice for Medisoft helps you spend less time charting and more time interacting with patients.

Plus!

When you select McKesson Practice Choice for Medisoft, you will receive an immediate upgrade to Medisoft NetPro v18 and rights to all future upgrades of the Medisoft practice management software*.

No longer using Medisoft? McKesson Practice Choice is available as a complete practice management and EMR solution, or as a stand-alone EMR.

We are happy to help you select the software that's right for you.
Offering comes in 3 different price packages to meet your needs!

*A 5 User Advantage license is included in the monthly fee with Medisoft Network Professional, additional licenses are available.

Please call us for more information if interested!
