MEDI SOFT MOBILE

A free application for the iPad, iPad mini, iTouch and iPhone, and Medisoft V18, the latest upgrade for the Medisoft practice management system, combine to help your practice run smarter, optimize reimbursement, and improve productivity.

Using the combined offerings of Medisoft v18 & Medisoft Mobile, will help you verify insurance eligibility before scheduled appointments, collect co-payments and balances due at the time of check in, submit claims electronically, produce professional, easy-to-read patient statements, and electronically capture your charges and diagnoses.

Let everyone else worry about how long superbills will be with ICD-10 codes.

Medisoft v18 and Medisoft Mobile solutions can help you:

- Electronically capture charges and diagnosis entries, (no more paper superbills!)
 - Enter charges and diagnoses from anywhere
 - Submit claims to your biller at the tap of a button
 - View your schedule on your mobile device
 - Support simplified patient accounting
 - Track practice performance efficiently and easily
- And...receive RelayHealth's e-prescribing at no additional cost through June 30, 2013

Works with Medisoft Version 18 SP2 (Network Professional Only)

Am I frozen in the program ?

RETAIN MEDISOFT; GAIN AN EMR!

*Introducing an EMR designed just for you...
McKesson Practice Choice™ for Medisoft®*

Inspired by independent physician practices just like yours, McKesson Practice Choice™ for Medisoft® is a Meaningful Use - certified, Web-based, electronic medical record (EMR) designed to work with your Medisoft practice management software.

With clinical notes that automatically populate fields throughout the chart, intuitive e-prescribing, and an online patient portal, McKesson Practice Choice for Medisoft helps you spend less time charting and more time interacting with patients.

Plus! When you select McKesson Practice Choice for Medisoft, you will receive an immediate upgrade to Medisoft Net Pro v18 and rights to all future upgrades of the Medisoft practice management software*.

No longer using Medisoft? McKesson Practice Choice is available as a complete practice management and EMR solution, or as a stand-alone EMR.

We are happy to help you select the software that's right for you.

Offering comes in 3 different price packages to meet your needs!

* A 5 User Advantage license is included in the monthly fee with Medisoft Network Professional - additional licenses are available.

Please call us for more information if interested!

**** Note:** McKesson is also making calls to customers to help promote this new offering, don't be alarmed if you are contacted by them on our behalf.
