The Capario Clearinghouse Has Been Acquired By Emdeon

This acquisition took place at the end of June.
Many of our customers have been using Capario over the years for their electronic claims clearinghouse.
Nothing is changing-rather things are improving as they begin to blend their offerings.
Please visit our website - on our Home Page there is a link for additional information.

Medisoft Version 20

The new Medisoft Version 20 Software is coming soon!
Expected to be released this fall- offering enhancements to the Mobile Solutions product.
