Still looking for an EMR Program?
See our site about Practice Choice

Latest Build of Revenue

Management: .273 at the end of the number on the splash screen that opens- stay updated for fixes to defects and bugs.

** This changes as needed from McKesson

Check this on a weekly basis in Claim Management:

Click on the List Only Button
Then under Claim Status -
Choose a status below:

- Hold
- Rejected
- Challenge
- Alert
- Pending

There might be claims that need to be corrected & resubmitted.

ARE YOU READY?

April 1, 2014 is the effective date for the new claim form
CMS 1500 Claim Form (02/12)

Medisoft Version 19 will be the ONLY version that will allow you to print the new CMS format.

The new form is mandatory on April 1st.

The National Uniform Claim Committee (NUCC) website has more information and a sample of the new form: www.nucc.org

Upgrade pricing is available-

Our sales team has been reaching out to our clients to discuss your specific needs in regards to upgrading

COUNTDOWN TO ICD10

We are less than 205 days away from October 1, 2014!

Version 19 is the software you need to help you through this transition

Coming Soon!

Our User Group Meeting in June 2014

This will be at Moraine Valley Community College Conference Center

More details coming soon

Can't make the class?

We will also have Webinars in July, August & September 2014

We will show you what you will need to do in Medisoft Version 19 for ICD-10

Version 19 will also make you compliant for ICD10

ADD-ON SERVICES AVAILABLE:

- * **BillFlash**- e-statements now with e-pay
- * **MD Collect**- assists in collection letters and phone call on patient balances
- * **Automated Appointment Reminders**
- * **Practice Care**-turning your small practice into a patient centered medical home
- * **Medisoft Mobile**- see your schedule and do charge entry from your iPhone or iPad!

Reminder:

We recommend the following:

- **Do daily backups:** of each practice to an external backup device.
- Run File Maintenance Weekly (on each practice).

VERSION 19 HOT FIX

Hot Fix for the slow reports in Version 19 Medisoft

Issue: Medisoft Reports are running slower than normal after upgrading to Medisoft Version 19

McKesson has just released a Hot Fix.

**This is available on our website
Go to the Downloads page for instructions and the update.**

Tap. Tap. Done. Discover Medisoft Mobile.

Medisoft Mobile is a free application for the iPad, iPad mini and the iPhone. Combined with Medisoft v18 and higher, your practice will run smarter, you will optimize reimbursement, and improve productivity. Using the combined offerings of Medisoft Mobile, electronically capture your charges and diagnoses.

Let everyone else worry about how long superbills will be with the new ICD-10 codes.

RETAIN & GAIN!

Introducing an EMR designed just for you...

McKesson Practice Choice™ for Medisoft®

Inspired by independent physician practices just like yours, McKesson Practice Choice™ for Medisoft® is a Meaningful Use-certified, Web-based, electronic medical record (EMR) designed to work with your Medisoft practice management software.

With clinical notes that automatically populate fields throughout the chart, intuitive e-prescribing, and an online patient portal, McKesson Practice Choice for Medisoft helps you spend less time charting and more time interacting with patients.

Plus! When you select McKesson Practice Choice for Medisoft, **you will receive an immediate upgrade to Medisoft NetPro v19 and rights to all future upgrades of the Medisoft practice management software*.**

No longer using Medisoft? McKesson Practice Choice is available as a complete practice management and EMR solution, or as a stand-alone EMR.

We are happy to help you select the software that's right for you.

Offering comes in 3 different price packages to meet your needs!

***A 5 User Advantage license is included in the monthly fee with Medisoft Network Professional- additional licenses are available.**

Please call us for more information if interested!
