**This migration will take effect on January 18, 2014**

You will need to work with us on moving your practice over.

The current clearinghouse platform will begin to have payers that are no longer free- it will be \$79.00 per month per organization ID for up to 599 claims. Additional charges for over 599 claims in a month.

### **New Year – New Case for 2014**

Here is an idea: make a new case for the New Year for Dates of Services starting on 1/1/2014  
Especially if you have numerous transactions on a Patient's case (over 100),
