Still looking for an EMR Program? Please see our website about Practice Choice

The Capario Clearinghouse was Acquired By Emdeon

This acquisition took place at the end of June 2014. Nothing is changing; rather things are improving as they begin to blend their offerings.
Visit our website for additional info.

Revenue Management Latest Build:

The build number ending in .304 represents the latest version of Revenue Management.

This number is found 'at the end' of the build number that appears on the splash screen when Revenue Manager opens - stay updated for fixes & enhancements.

Integrated Health Care Wishes You Happy Holidays!

Integrated Health Care will be closed on the following days:

Wednesday, November 26th - Closing at 3:00 (Central Time)
Thursday, November 27th - Closed all day
Friday, November 28th - Closed all day

Wednesday, December 24th - Closed all day
Thursday, December 25th - Closed all day
Thursday, January 1st - Closed all day

Thank you for your continued business throughout the year!

The New CMS 1500 Claim Form became effective on 4/1/2014

Medisoft Version 19 & 20 are the only versions that will allow you to print the new CMS format.

The new form was mandatory on April 1st.

The National Uniform Claim Committee (NUCC) website has more information and a sample of the new form: www.nucc.org

---

PLAN AHEAD FOR ICD10!

Version 20 will also make you compliant for ICD10 - don't wait!
Start now on how the new codes will affect you and the practice.
Look for webinars and seminars to train your staff!

It is being recommended to get a line of credit now before cash flow is interrupted

First Midwest Bank has a special promotion - for further details contact:

Donnie Chestnut at 815-774-2094

Please mention "Integrated Health Care" has referred you.

Medisoft Version 20

The new Medisoft Version 19 Software is expected to be ready by the end of December.
If you have already purchased the upgrade, then we will begin shipping in when it becomes available.
Please plan ahead and call us to schedule your upgrade.

....

For those that were able to attend our Medisoft User Group Meeting
that was held on October 1, 2014, Thank you for coming!

....

New Year – New Case for 2014

Here is an idea: make a new case for the New Year for Dates of Services starting on 1/1/2015
Especially if you have numerous transactions on a Patient's case (over 100),
Then the performance of your Medisoft program will improve.

....

Medisoft Version 19 Hot Fix and Service Pack 1 update

A Hot Fix is available for slow reports in Medisoft Version 19

Instructions & the download links are available on our website: **www.ihctech.com**

When done, your Medisoft Version will be Version 19 SP1 (19.1.3.38)
Note: There should be a 38 at the end; Install on All computers that have Medisoft installed.
