Announcing a New Revenue Management Upgrade

A new upgrade to Revenue Management will include the newest 2018 ICD-10 codes for Claim Edits.

Over the next month, Revenue Management will prompt users automatically to download the update so that these new codes can be used.

If you get "Software Not Found" error when trying to update.
Please see our website for details how to resolve the message.

Announcing the Release of Medisoft Mobile 3.0

The Version 3.0 Medisoft Mobile application will be compatible with
Medisoft Versions 21 and 22 (upcoming release)

This includes iPhones and iPads and certain Android Tablets.

Please note, the older versions will not be supported after December 31, 2017

There is a special sale to upgrade to Medisoft Version 22

Please see the next page.

New Medicare cards are coming

Medicare will mail new Medicare cards between April 2018 and April 2019.

The new card will have a new Medicare Number that's unique, instead of the Social Security Number.

The new cards will be made up of 11 letters and numbers. This will also apply to Railroad Medicare.

For more information see the Medicare Website:
