

## Medisoft 17, Service Pack-3

### Important about Repeat Appointments and Breaks

If there are any repeat Appointments and Breaks,  
These will only show from the date of the SP-3 conversion and later.

**Any REPEAT Appointments and Breaks before this conversion date will no longer show in Office Hours.**

*Example -Repeat Appointments:*

If a patient had a Repeat Appointment every 6 months;  
After converting to SP-3 - only from the conversion date & forward will show.  
The old Repeat Appointments before the conversion date no longer show.

*Example -Repeat Breaks:*

Before the conversion, you have a Repeat Break (such as closed for Lunch) every Monday;  
If you converted on 7/27/2012, Repeat Appointments and Breaks before this date no longer show.

**\*\*\* Any Repeat Appointments and Breaks after this conversion date will now have an end date.  
This End Date will be 1 year after that conversion date.**

Any new or edited Repeat Appointments and Breaks can only have a maximum end date 1 year from the date that you make or edit the Repeat Appointment or Break.

Repeats appointment and breaks to infinity are no longer an option.
