

AutoRemind

Complete Patient Communication

Reminders

Easy-to-use
Built-in
Automated
Best Practice advice
Amazing Price Value

Features we offer:

Appointment Reminders

Automate your appointment reminder process through email, text and voice calls.

Surveys

Find out what your patients think of you, with automated surveys from Survey Monkey.

Short Notice

Things can happen last minute. When they do, let your patients know with a short notice message.

Triggered Messages

Send a message automatically about follow up care or with instructions after a procedure.

Late Payment

Send a message to patients with a balance due.

Text, Call or Email
