New Area Code 464 is coming

Chicago's southern suburbs will receive a new telephone area code that will overlay the 708 area code. The 464 area code will be available when all assignable prefixes in the 708 code have been exhausted, That's not expected to occur until January 2022

10-digit dialing will be required even for local calls

Effective 10/24/2021 the 708 Area code will now require you to dial the 10-digits number
(The area code + telephone number) **This includes Faxes.**

This is due to changes starting in July 2022 of a new number **9-8-8**

The 988 calls will route to the existing National Suicide Prevention of **800-273-8255**

Many other area codes will also require this change.

FCC Designates 988 as a Nationwide Mental Health Crisis and Suicide Prevention Number
