of their upcoming appointment.

It is more than just appointments:

You can do Newsletters, Sales Messages, surveys, late payments,
recalls, birthday greetings, and more!

Space Heaters cause problems

Do you have a Space Heater in your office?
These need to be plugged directly into the wall outlet,
not into a surge protector - this can cause a fire!

Also run on the low setting,
this uses half as much electricity as the high setting.

Integrated Health Care is offering a reduced Phone Support Price Special
