

# Vaccine Pricing

▼ [Seasonal Flu Vaccines](#)

Part B payment allowance limits for seasonal influenza (flu) vaccines (that is, the vaccine product) are 95% of the Average Wholesale Price (AWP). In hospital outpatient departments, payment is based on reasonable cost.

Part B deductible and coinsurance amounts don't apply for flu vaccine products or their administration. With respect to the vaccine product, all providers and suppliers must accept assignment on the claim.

The annual flu vaccine season is August 1–July 31 of the following year.
